1 P R O C E E D I N G S

2 THE COURT: Next matter, please.

3 CLERK: Matter Number 5, for Temblor Petroleum
4 Company, LLC.

5 THE COURT: May I have appearance of counsel for
6 the trustee?

7 MR. GARDNER: Good afternoon, Your Honor. Max
8 Gardner. Appearing also in my office is Jeffrey M. Vetter,
9 Chapter 7 trustee.

10 THE COURT: Okay, and counsel for Kings County
11 Development Limited?

12 MR. HARRIS: Good afternoon, Your Honor. John
13 Harris, on behalf of creditor, Kings County Development
14 Limited.

15 THE COURT: And interested -- the appearance --
16 please state your first and last name of interested party,
17 Kris Pitta.

18 MR. PITTA: Yes. This is Kris Pitta from Prudent
19 Resources LLP.

20 THE COURT: I'm sorry. Can you just repeat that
21 one more time?

22 MR. PITTA: Kris Pitta, from Prudent Resources
23 LLC.

24 THE COURT: Are you a bidder, Mr. Pitta? Is
25 Prudent Resources a bidder?

1 MR. PITTA: Yes, ma'am. Yes, ma'am.

2 THE COURT: Okay, and Mr. Scholefield?

3 MR. SCHOLEFIELD: Yes. This is Dan Scholefield.

4 I'm a bidder with Genautica Oil Holdings LP.

5 THE COURT: Can you please spell that?

6 MR. SCHOLEFIELD: G-E-N-A-U-T-I-C-A, Oil Holdings
7 LP.

8 THE COURT: Okay, and is there any other
9 appearances in this matter?

10 Okay. Mr. Gardner?

11 MR. GARDNER: Yes, Your Honor. Thank you for the
12 tentative. I've reviewed it. In light of the two bidders
13 that are present, we would request that the Court conduct an
14 auction in the procedure or the protocol that was filed. We
15 indicated there would be \$1,000 increments. The trustee
16 would accept the highest bid as being the higher and better
17 bid, and if that auction concludes successfully today, we'd
18 ask that the Court award or authorize the sale to that
19 higher or highest bid with a backup provision if we were
20 unable to complete the transaction within 30 days from the
21 entry of the order approving the sale that we would accept
22 the follow-up bid.

23 THE COURT: Is there anybody appearing on behalf
24 of Trio Petroleum? Okay. We do. Do you want to come
25 forward, please, sir, and please state your name for the

1 record.

2 MR. ROWLEE: My name is Steven Rowlee.

3 THE COURT: And can you please spell your first
4 and last name, please?

5 MR. ROWLEE: Steven, S-T-E-V-E-N, last name
6 Rowlee, R-O-W-L-E-E, representing Trio Petroleum.

7 THE COURT: Okay. All right. Mr. Harris, did you
8 have anything you wanted to say before the Court starts the
9 bidding?

10 MR. HARRIS: No, Your Honor. I just had a
11 procedural point to bring up afterwards. Thank you.

12 THE COURT: After the bidding's complete?

13 MR. HARRIS: No, with --

14 THE COURT: Can you -- what is the procedural
15 issue?

16 MR. HARRIS: Your Honor, at the hearing on June
17 29, on the trustee's motion of intent to abandon, counsel
18 for the trustee indicated that a motion seeking authority
19 for the trustee to sign a quitclaim to Kings County
20 Development Limited would be filed and would be heard at the
21 same time as this motion. Nothing has happened, and so my
22 procedural point was simply to come back to that point and
23 see if we could get a hearing date.

24 THE COURT: Okay.

25 MR. HARRIS: Thank you.

1 THE COURT: Very well. We'll --

2 MR. HARRIS: But no points with respect to this
3 sale.

4 THE COURT: Okay. Very well. Okay. Mr. Gardner,
5 how do we --

6 MR. GARDNER: Yeah. I think --

7 THE COURT: -- how should we proceed with respect
8 to the sale?

9 MR. GARDNER: As I indicated, Your Honor, we have
10 three bidders present. The protocol provides for \$1,000
11 increments. As far as the Court conducting it, we would
12 request that the Court entertain bids from each of the three
13 parties and, as I indicated, we would accept the highest bid
14 as the highest and best bid, and then assuming the Court
15 grants that sale for that amount, then we would ask as a
16 backup that the second highest bid be able to conclude if we
17 weren't able to finish the first sale within 30 days of the
18 Court entering an order.

19 THE COURT: Okay. Well, Mr. -- well, I don't
20 think Trio Petroleum needs to be bidding against itself. So
21 Mr. Gardner, do you have a preference as to whether Prudent
22 Resources LLC or Genautica Oil Holdings LP submits the first
23 overbid?

24 MR. GARDNER: We do not have a preference as to
25 the order of bidding.

1 THE COURT: Okay. Mr. Pitta, on behalf of Prudent
2 Resources?

3 MR. PITTA: Yes. I would like to go with -- start
4 with \$11,000.

5 THE COURT: Do you have an overbid above \$10,000
6 with a minimum overbid of at least \$1,000?

7 MR. PITTA: I think we can only go by \$1,000, Your
8 Honor, right? That's why I'm starting at \$11,000.

9 THE COURT: I'm sorry. Do you have a -- are you
10 bidding \$11,000?

11 MR. PITTA: Yes, ma'am.

12 THE COURT: Mr. Scholefield, on behalf of
13 Genautica Oil Holdings?

14 MR. SCHOLEFIELD: Yes, Your Honor. We will bid
15 \$15,000.

16 THE COURT: Okay. Mr. Rowlee, on behalf of Trio
17 Petroleum or, Mr. Pitta, on behalf of Prudent Resources?
18 You need to say into the -- you need to speak into the
19 microphone.

20 MR. ROWLEE: No bid from Trio.

21 THE COURT: Okay. Okay. Mr. Pitta, there's a
22 \$15,000 bid from Genautica Oil Holdings. Do you wish to
23 increase your bid on behalf of Prudent Resources?

24 MR. PITTA: Yes, Your Honor. We would like to bid
25 \$16,000.

1 THE COURT: \$16,000?

2 MR. PITTA: Yes. Yes, Your Honor.

3 THE COURT: Okay. Mr. Scholefield?

4 MR. SCHOLEFIELD: Yes, Your Honor. We will
5 increase our bid to \$20,000.

6 THE COURT: Okay. Mr. Pitta?

7 MR. PITTA: Yes, Your Honor. We would like to go
8 with \$25,000.

9 THE COURT: \$25,000?

10 MR. PITTA: Yes, Your Honor.

11 THE COURT: Okay. Mr. Scholefield?

12 MR. SCHOLEFIELD: Yes, Your Honor. We will go to
13 \$26,000.

14 THE COURT: Okay. Mr. Pitta?

15 MR. PITTA: Yes, Your Honor. We would like to go
16 with \$31,000.

17 THE COURT: I'm sorry. Can you repeat that?

18 MR. PITTA: We would like to go with \$31,000.

19 THE COURT: \$31,000?

20 MR. PITTA: Yes.

21 THE COURT: Okay. Mr. Scholefield?

22 MR. SCHOLEFIELD: \$32,000.

23 THE COURT: Okay. Mr. Pitta?

24 MR. PITTA: Yes, Your Honor. We would like to go
25 with \$41,000.

1 THE COURT: Okay. Mr. Scholefield?

2 MR. SCHOLEFIELD: Could you repeat that? I'm
3 sorry, Your Honor. I couldn't hear.

4 THE COURT: \$41,000.

5 MR. PITTA: \$41,000.

6 THE COURT: Mr. Pitta, that was \$41,000?

7 MR. PITTA: Yeah. That is correct, Your Honor.

8 THE COURT: Okay.

9 MR. SCHOLEFIELD: Forty-two. \$42,000.

10 THE COURT: Okay. Mr. Pitta?

11 MR. PITTA: We would like to go with \$46,000, Your
12 Honor.

13 THE COURT: Okay. Mr. Scholefield?

14 MR. SCHOLEFIELD: Yes. We will go with \$50,000.

15 THE COURT: Okay. Mr. Pitta?

16 MR. PITTA: Yes, Your Honor. We would like to go
17 with \$61,000.

18 THE COURT: Okay. Mr. Scholefield?

19 MR. SCHOLEFIELD: Your Honor, we would like to --
20 we've reached a point, a price point above which we would be
21 willing to bid higher; however, we were not given adequate
22 information about the outstanding liabilities that we're
23 being asked to assume and we'd like to have the balance of
24 that information provided in order to place a higher bid.
25 So we request that that information be provided to us and

1 that the bidding be continued at a later time and in order
2 for us to place a higher bid, but have an understanding of
3 what the outstanding liabilities are.

4 THE COURT: Mr. Gardner?

5 MR. GARDNER: Just one moment, Your Honor. Your
6 Honor, I've conferred with Mr. Vetter. He is requesting
7 that we proceed with the auction in its current -- the way
8 that it's currently postured and noticed interested parties.

9 THE COURT: Okay. So Mr. Scholefield, the trustee
10 wants to finalize the bidding today and not continue this,
11 this bidding, for a further time.

12 MR. SCHOLEFIELD: Okay. So we would be willing to
13 increase our bid in this event. The current bid is what?

14 THE COURT: \$61,000.

15 MR. SCHOLEFIELD: We will bid \$62,000.

16 THE COURT: Okay.

17 MR. PITTA: Yes, Your Honor. This is Prudent
18 Resources. We would like to go with \$66,000.

19 THE COURT: Okay. Mr. Scholefield?

20 MR. SCHOLEFIELD: Yes. We will go to \$70,000.

21 THE COURT: Okay. Mr. Pitta?

22 MR. PITTA: Yes, Your Honor. We'd like to go with
23 \$75,000.

24 THE COURT: Okay. Mr. Scholefield?

25 MR. SCHOLEFIELD: \$80,000.

1 THE COURT: Okay. Mr. Pitta?

2 MR. PITTA: \$85,000.

3 THE COURT: Do you want to repeat that, please?

4 MR. PITTA: \$85,000, Your Honor.

5 THE COURT: \$85,000. Okay. Mr. Scholefield?

6 MR. SCHOLEFIELD: \$86,000.

7 THE COURT: Okay. Mr. Pitta?

8 MR. PITTA: Yes, Your Honor. One second.

9 THE COURT: Okay.

10 MR. PITTA: Yes, Your Honor. We would like to bid
11 \$101,000.

12 THE COURT: \$101,000. Okay. Mr. Scholefield?

13 MR. SCHOLEFIELD: We are dropping out of the
14 bidding, Your Honor.

15 THE COURT: Okay. Mr. Gardner?

16 MR. GARDNER: Your Honor, thank you for conducting
17 the auction. The trustee would then recommend that the
18 order authorizing the sale to Prudent Resources be entered.
19 We would prepare the form of the order for Mr. Pitta or his
20 designee to sign off. The amount would be \$101,000. We
21 would then as an alternate, an alternate sale, that it
22 provides for a sale to Genautica Oil to be signed off by Mr.
23 Scholefield or his designee in the amount of \$86,000.

24 THE COURT: Okay. Mr. Pitta, do you have any
25 questions regarding what Mr. Gardner just said?

1 MR. PITTA: No, Your Honor. We concur.

2 THE COURT: Okay, and Mr. Scholefield, does
3 Genautica Oil Holdings LP agree to be a backup bidder --
4 have a backup bid of \$86,000?

5 MR. SCHOLEFIELD: Yes, we do.

6 THE COURT: Okay. Then, Mr. Gardner, if there
7 isn't anything else, will you please prepare a form of order
8 and have representatives for Prudent Resources and Genautica
9 Oil Holdings sign off on the form of order?

10 MR. GARDNER: I will, Your Honor. Thank you.

11 THE COURT: Thank you. Is there anything else
12 with respect to this matter? Very well. Thank you. That
13 ends this --

Chapter 7 Bankruptcy Sale Process

Energy Advisors Group is helping **Temblor Holdings** market their West Coast-operated & non-operated assets in Fresno & Monterey Cos., CA as part of a Judge Ordered Sale, authorized and approved by the United States Bankruptcy Court for the Eastern District of California.

The assets, a mixture of properties and prospects include enough "critical mass" that might act as a "company starter" for the right buyer or "booster asset" for another operator seeking to expand in California. In light of finding one buyer for all the assets, the Court may consider breaking up the package accordingly.

Recent Updates (5/21/21):

- Process just changed from a Chapter 11 to a Chapter 7
- The Lynch Canyon project is under new management (New Investors Bought Eagle)
- Lynch Canyon was recently restarted without steam support (Making ~150 BOPD Gross, ~20 BOPD Net)
- Hangman Hollow project just received steam injection permit.

CALIFORNIA PROSPECTS & DEVELOPMENT OPPORTUNITIES

FRESNO & MONTEREY CO.,

FIVE POINTS, LYNCH CANYON, HANGMAN HOLLOW, LANDER AVENUE & LOS ALAMOS

Select Prospects & Projects Ready To Drill.

Certain Fields Are Fully Automated Facilities

3-D Seismic Defined Projects. 14-Sq. Miles Seismic Available

15-100% OPERATED & NonOperated WI For Sale.

OOIP & OGIP: 70 MMBO & 115-265 BCF

Premium Prices Achieved. Light Oil: 44 API. High BTU Gas

5--ASSET GROUPS FOR SALE.

Here are more details by individual property and prospect:

FIVE POINTS FIELD---

New discovery. Light oil. (44 API) production with associated high BTU gas

Seller targeting: 3 MMBO OOIP and 15 MCF OGIP

Temblor owns a 48.55% working interest with a 37.88% NRI and the project is currently shut-in.

This individual project has been fully drilled and is new purchaser needs to secure a gas reinjection permit.

The log of Witter Field shows a uniform 100-foot pay zone.

LYNCH CANYON PROPERTY---

Producing heavy oil field with 14.91% working Interest for sale and 12.43% NRI.

Produced 150 BOPD without steam injection in Dec '20.

Just received AFE to restart steam injection.

23 MMBO OOIP and 7.0-10 MM barrels recoverable

HANGMAN HOLLOW FIELD---

New discovery. One mile from Lynch Canyon.

24.44% Working Interest, 20.37% NRI

The Hangman Hollow field is currently idled pending final approval of steam injection

Temblor recently received aquifer exemption to enable steam flood injection

The estate highlights 4.0 million barrels of original oil in place and 2.0 mm barrels recoverable;

There are 2 Prospects Ready To Drill and Develop

LANDER AVENUE GAS PROSPECT---

LOS ALAMOS PROSPECT---

Monterey Shale Prospect w/ 700 Ft;

100% ownership position through Temblor affiliates;

Light oil column at 10,000 foot depth

40 MM barrels in original area.

Company records show that Los Alamos could be a 100 MM barrel project if the trend extends over all of Temblor's acreage

Potential farmout to partners for initial development.

dan: the winning bidder has not performed and the sale will not be completed. as the backup bidder, the offer of genautica oil holdings will be accepted. please remit the balance of your bid(\$76,000.00) to the po box below. please make the check payable to, "the bk estate of temblor". thank you, jeff vetter

JEFFREY M. VETTER**Chapter 7 Trustee****P.O. Box 2424****Bakersfield, CA 93303****661-809-6806****jeffreyvetter@hotmail.com**

From: Kris Pitta <kris_pitta@prudentresourcesllc.com>**Sent:** Tuesday, September 13, 2022 6:57 AM**To:** jeffrey vetter <jeffreyvetter@hotmail.com>; Wesley Adams <wadams@energyadvisors.com>**Subject:** Hangman Hollow

Jeff, Wes:

I hope things are going well. We just learned from CalGEM that Hangman Hollows have to go through PAL review and injection permit is not valid. We were misled by letter sent to Steve Rowlee (Trio) in 2019 and not sharing the letter sent in 2021 by CalGEM about discrepancies of the injection permit. We will not be proceeding with Hangman Hollow anymore. I appreciate if you return our deposit \$10,000. Thank you.

Thanks,
Kris K. Pitta

CHAPTER 7 BANKRUPTCY**PP 8837DV****Chapter 7 Bankruptcy Sale Process**

Energy Advisors Group is helping **Temblor Holdings** market their West Coast-operated & non-operated assets in Fresno & Monterey Cos., CA as part of a Judge Ordered Sale, authorized and approved by the United States Bankruptcy Court for the Eastern District of California.

The assets, a mixture of properties and prospects include enough "critical mass" that might act as a "company starter" for the right buyer or "booster asset" for another operator seeking to expand in California. In light of finding one buyer for all the assets, the Court may consider breaking up the package accordingly.

Recent Updates (9/6/22):

Lynch Canyon interest recently sold.

Hangman Hollow Interest under contact.

Additional information regarding the Witter field interest added to the VDR.

NOTICE OF SALE OF WITTER FIELD

Date: September 14th, 2022

Time: 1:30 PM (Pacific)

Location: 2500 Tulare Street, 5th Floor

Courtroom 11, Fresno , CA

Judge: Hon. Jennifer Neimann

See the Temblor Witter Notice of Sale in the Witter Public Sale Documents for specific bid instructions.

Documents related to the sale are available as Item 2 in the public documents in the VDR. All bidders should do their own due diligence before participating in the sale.

Regarding Witter Field working interest:

Temblor sold a 10% working interest to Inproinvest in 2018. That agreement contains a “clawback” provision whereby if Inproinvest does not achieve a certain return by a certain date (which they did not), then they are assigned 10% of Temblor’s working interest (or 4.856% working interest) until they achieve a certain return. Inproinvest has recorded this security.

CHAPTER 7 BANKRUPTCY**PP 8837DV****Chapter 7 Bankruptcy Sale Process**

Energy Advisors Group is helping **Temblor Holdings** market their West Coast-operated & non-operated assets in Fresno & Monterey Cos., CA as part of a Judge Ordered Sale, authorized and approved by the United States Bankruptcy Court for the Eastern District of California.

The assets, a mixture of properties and prospects include enough "critical mass" that might act as a "company starter" for the right buyer or "booster asset" for another operator seeking to expand in California. In light of finding one buyer for all the assets, the Court may consider breaking up the package accordingly.

Recent Updates (9/6/22):

Lynch Canyon interest recently sold.

Hangman Hollow Interest under contact.

Additional information regarding the Witter field interest added to the VDR.

NOTICE OF SALE OF WITTER FIELD

Date: September 14th, 2022

Time: 1:30 PM (Pacific)

Location: 2500 Tulare Street, 5th Floor

Courtroom 11, Fresno , CA

Judge: Hon. Jennifer Neimann

See the Temblor Witter Notice of Sale in the Witter Public Sale Documents for specific bid instructions.

Documents related to the sale are available as Item 2 in the public documents in the VDR. All bidders should do their own due diligence before participating in the sale.

Regarding Witter Field working interest:

Temblor sold a 10% working interest to Inproinvest in 2018. That agreement contains a “clawback” provision whereby if Inproinvest does not achieve a certain return by a certain date (which they did not), then they are assigned 10% of Temblor’s working interest (or 4.856% working interest) until they achieve a certain return. Inproinvest has recorded this security.

CALIFORNIA PROSPECTS & DEVELOPMENT OPPORTUNITIES

1-Property; 2-Prospects.

COURT ORDERED BANKRUPTCY SALE PROCESS

FRESNO & MONTEREY CO.,

dan: see the attached doc's.

we cannot wire money. in the alternative, please get a \$10k money order/cashier's check made payable to "the bk estate of temblor". if the service does not deliver to the po box below please let me know and i will give you a physical address. email me a **copy of the check and the tracking number** from usps/ups/fedex and will be sufficient to allow bidding.

thank you, jeff vetter

Jeff,

Is the Temblor interest being offered/sold free of liability in the bankruptcy proceeding? An investor group would like to present an offer, but those details are necessary.

Thanks,

Dan Scholefield

Hi Jeff,

I'm following up on my email of last week. You were going to email me a copy of the Temblor Petroleum abandonment notice; is it possible for you to do that? We would like to submit an offer to purchase the Temblor Interest.

Many thanks,

Dan Scholefield

Dear Mr. Vetter,

Thank you for your time and for forwarding the abandonment notice discussed in our phone conversation yesterday, Wednesday June 15, 2022, regarding the Temblor Petroleum Company, LLC oil and gas working interest in the Hangman Hollow Field located in Monterey County, California.

As a working interest partner in the field, Genautica Oil Holdings LP would like the opportunity to bid on Temblor's interest. Any information you can forward regarding the status of proceedings is greatly appreciated.

Sincerely,

Dan Scholefield
